A charismatic leader. At this most desperate of times, a warrior rises to defend the nation. A fierce rebel. The uploader already confirmed that they had the permission to publish it. India, 1025 AD. A romance novel doesn't necessarily have to be very serious and full of tragedies and tearful separations. An Unforgettable Battle. Read this blockbuster epic adventure of courage and heroism, a fictional tale based on true events, that recounts the story of that lionhearted warrior and the magnificent Battle of Bahraich. An inclusive patriot. Repeated attacks by Mahmud of Ghazni and his barbaric Turkic hordes have weakened India's northern regions. Over time they confess their feelings for each other. The invaders lay waste to vast swathes of the subcontinent—plundering, killing, raping, pillaging. Abhishek and Aparna are shy and young, preparing for engineering exams in Patna. The ruler of a small kingdom, he sees what must be done for his motherland, and is willing to sacrifice his all for it. Those who do fight, battle with old codes of chivalry, and are unable to stop the savage Turkic army which repeatedly breaks all rules to win. King Suheldev. Abhi lives there with his family, while Aparna is the paying guest. However, Few other ways are practical and humorous and brave all of it. Report DMCA A Forgotten Hero. E-Book Information Year: 2,020 Pages: 344 Language: English Asin: B07DLWZ2L1 Org File Size: 1,990,155 Extension: epub Click here to download the pdf Details of Legend of suheldev BookBook Name: Legend of suheldev BookBook the book yesterday and Here I am to share my review of the book. First, let me tell you that this book is not entirely an Amish's work this is the first book written under the immortal writers centre A team of writers who helped a mesh in conducting research and preparing the first draft However, the concept comes from a mesh and he clears the manuscript here is what Amish about the immortal writer centre in this book I work with the team of writers to whom I relate the complete story and the final writing is done by me while a team drives the first draft we have tried our best to ensure that the book from the writers centre read like any other book of mine But we wanted to honestly state upfront that these books are a result of team effort and not just my sole work Now coming to the book narrates the tale of an 11th century forgotten hero who unites Indians against the foreign invaders set in 11th century India legend of Suheldev begins with the invasion of Mahmood of Ghazni and his Turkic army as they destroyed the Earbary Turks continuously raised in looted Indian cities men boys and infants were mercilessly killed while women were brutally raped and sold as slaves The book praises the journey of the warrior Sohail thief who United Indians across religious caste and regions under his feather King Miguel, dies soon they face another invasion when Salar Masood the nephew of Mahmud of Ghazni returns to India with a massive army and this time the Turks are here to stay as they intend to conquer and rule All of this culminates in the Magnificent Battle of marriage we are kings so here they've destroyed the Turkic army down to its last man What I liked about the book is that a mesh links to us the inspiring legend of the great Patriot so he'll they've who very few of us knew about I had never heard of so he'll day before I read this book I really admired amidst efforts to bring to the forefront the life and times of the brave King whose courage leadership and foresight freed India of the savage TurksThe book celebrates India's unity in diversity and cultural tolerance it questions the caste system prevalent in Hinduism for ages and highlights how it has barely affected our nation It also talks about Hindu Muslim conflict and the shortcomings of both religions the book had every ingredient to make it a good historical fiction but something went amiss The setting and the first chapter of the book which narrates the attack on the solar temple was so intriguing that I was hooked but after that everything went downhill so what exactly went wrong let us see although the premise had great promise the plot was lost big time the book starts off in style but soon I felt like I was reading a Bollywood script every Bollywood blockbuster ingredient was their tragedy a certain romance patriotism revenge and this kind of killed the narrativeThe main character is loosely inspired by Robin Hood and his band of followers if you have read Robin Hood then you will find the subtle similarity but what baffled me was the sudden transformation of the lead character of Suheldev An ordinary prince who didn't want his elder brother to go and fight the Turks suddenly decides to leave the luxuries of the palace and go to the forest in order to engage in guerrilla warfare with the Turks suddenly decides to leave the luxuries of the palace and go to the forest in order to engage in guerrilla warfare with the Turks suddenly decides to leave the luxuries of the palace and go to the forest in order to engage in guerrilla warfare with the Turks suddenly decides to leave the luxuries of the palace and go to the forest in order to engage in guerrilla warfare with the Turks suddenly decides to leave the luxuries of the palace and go to the forest in order to engage in guerrilla warfare with the Turks suddenly decides to leave the luxuries of the palace and go to the forest in order to engage in guerrilla warfare with the Turks suddenly decides to leave the luxuries of the palace and go to the forest in order to engage in guerrilla warfare with the Turks suddenly decides to leave the luxuries of the palace and go to the forest in order to engage in guerrilla warfare with the Turks suddenly decides to leave the luxuries of the palace and go to the forest in order to engage in guerrilla warfare with the Turks suddenly decides to leave the luxuries of the palace and go to the forest in order to engage in guerrilla warfare with the Turks suddenly decides to leave the luxuries of the palace and go to the forest in order to engage in guerrilla warfare with the Turks suddenly decides to leave the luxuries of the palace and go to the forest in order to engage in guerrilla warfare with the Turks suddenly decides to leave the luxuries of the palace and go to the forest in order to engage in guerrilla warfare with the Turks suddenly decides to leave the luxuries of underdeveloped characters like the Shani of the Govardhan Aslam ash wash etcwho are somehow tormented by the Turks and joined the crusade against them, another thing which put me off was the love angle between Sohail Dave and Toshi ani Toscani was a brilliant Archer and a formidable warrior but she is reduced to a mere love interest in the book Now coming to the presentation of the book the author has tried hard to add an element of suspense but in vain the main twist of the book was so poorly written and is almost unbelievable. There is very little of a Miss philosophically touch which you expect from Amish books, The book, on the whole, is quite average Amish magic which was so evident in Shiva Trilogy is clearly missing in this book but then the book is not entirely written by omission however this is no excuse When the name of Amish is associated with the book but then the book but then the book but then the book but then the book is not entirely written by omission however this is no excuse When the name of Amish is associated with the book as the legend of soo healthy because Respective prime minister Mr Narendra Modi Ji We all have many dreams but the freedom fighter that my dreams would be the same as this like or my people should be free from slavery. But now the slavery is in many forms Click here to download the E-Pub Also, check out the best romantic book of the year It Ends With Us by Colleen Hoover She Stood by Me by Tarun Vikash Book Book Name: She Stood by Me Authors: Tarun Vikash Pages: 206 Genre: Romance Novel Publish Date: Dec 19, 2019 Language: English Format: PDF, ePub, Mobi Price: Free Book Summary: She stood by me by Tarun Vikas so the novel starts on humour and wit and it remains for a good portion of the novel. Then the Turks raid and destroy one of the holiest temples in the land: the magnificent Lord Shiva temple at Somnath.
